HISTORIC EQUAL PAY AGREEMENT REACHED WITH THE AUSTRALIAN GOVERNMENT

The ASU has reached an historic agreement with the Australian Government on EQUAL PAY for SACS workers. If you are an ASU member you will receive a detailed briefing either by email or in the post. Details of the agreement are available at www.asumembers.org.au/equalpay. This agreement will also see SACS transferred into the new National System of Industrial Relations under the new Fair Works Act. It is imperative that all employees are fully informed of the new Fair Work Act laws and how the changes affect you. Special free information sessions will be held in November and December. Be sure to attend.

Attend the information sessions

All employees, members and non members, are welcome to attend these meetings. Meetings are free and sponsored by the Australian Government.
