

National Update #2

1. Your United Team had **two days of negotiations with Mission Australia in late May**
2. Following the negotiations **your Team provided a response** to Mission Australia with a number of **serious concerns** we had with the Mission Australia proposal
3. Mission Australia has now **provided** your United Team with an **adjusted position**
4. The new position is a **comprehensive improvement** on Mission Australia's previous position
5. Your Team is currently working to **identify all the remaining concerns** to put to Mission Australia
6. Your United team is **meeting with Mission Australia in the week of 21 July** to narrow the concerns even further
7. If necessary your team will go into **further negotiations on July 29 and 30**
8. Your United Team believes we are **getting close to getting an good agreement**
