

Your Enterprise Agreement: **HAVE YOUR SAY**

Why is it a good idea for me to fill out this survey?

Your wages and conditions are set by the current NSW Maritime Enterprise Agreement, as well as the policies of NSW maritime. This expires on June 30 this year and we need to get the best outcome possible for the new Enterprise Agreement.

The possibility of a change of State Government means we need to ensure we protect as many conditions as possible into the future as well as look to improve the current Agreement.

The feedback from this survey will help identify the key bargaining issues and provide direction on how we go forward. Have your say over your Agreement.

Take a few moments to fill out the survey now and send it straight back to the ASU as a priority so a log of claims can be formulated.
